

Dear Mr. Higgins and The Star Light Charities.

I recently received several packages from various donators, in Bridgewater. I was told you were one of the donators.

I want to tell you how appreciative I am of this and simply say. Thank you.

I shared the packages with several other soldiers. We all agree that it was very nice of you to do this and greatly appreciate it. It's nice to know people back home care about us.

Thanks again and the packages went to good use

Thanks.
SGT Matt Lynch.
